Do you understand what is REALLY happening in the world today with the present deepening economic crisis, increasing conflicts between nations and ethnic groups, and accelerating natural and man-made disasters?

Do you know where it is all headed, how it will end up, and what God wants you and your loved ones to be doing through it all?

Do you know the difference between a true Christian and a phony Christian?

Do you know what the role of the United States of America will be in the final years of world history, before the Kingdom of Heaven is established on Earth?

Do you understand the TRUE meaning of the Bible's book of Revelation?

All these questions and many more are answered with startling clarity in the enlightening new book, *The Revelation of Yahushua the Messiah—A Clear, Common-Sense Commentary – and More – From the Hebraic Perspective of the Writer of the Last Book of the Bible*, authored by Watchman Bob.

Do you know ...

... that the United States of America is the most evil nation in world history – what the Bible calls “Babylon the Great”?

... that we all desperately need to be saved from the quagmire of sin that drags us down in America-Babylon and from the total annihilation of the USA soon to come?

... that the American Christian Church (except for a few scattered individuals) is really the phony church of Antichrist?

For irrefutable, scriptural proof of the identity and destiny of modern, prophetic Babylon, and if you have the guts to face up to reality, read the amazing new book, *The Revelation of Yahushua the Messiah—A Clear, Common-Sense Commentary from the Hebraic Perspective of its Writer*, authored by Watchman Bob.
